

Beaver Creek

Headeast on Highway 20 towards Winthrop and Twisp. Past Twisp, turn left towards Loup Loup Pass, (staying on Highway 20 and heading up hill), turn left on Beaver Creek Road. Follow Beaver Creek Road (no turns!), the road will change from blacktop to gravel, stay on main road 'til you reach the campgrounds on the right.

Beaver Creek has informal camp sites with trees for highlining, stock water, and pottys. Bring you own firewood.
