

# Traildusters Buckaroo Ride 2017

Buckaroo Ride location: Private residence on the Middle Fork Teanaway Valley Road, just past the end of the pavement, look for the last house on the left. Drive past the barn & camp near the trees. Look for TD signs.

Regular TD rules will apply: Leave No Trace is a must, Saturday night Potluck dinner, no dogs on rides. Don't forget your bathing suits & water sandals for river time.

## Buckaroo Ride is July 29 & 30

The Buckaroo Ride is open to all members and their guests. The focus for the weekend will be kids and family friendly activities. Bring your kids, your grandkids, your nieces/nephews or neighbor's kids. If we have confirmation of enough kids joining us, it would be nice to organize some kid friendly activities besides riding & river time.

Campers must be self-contained, this is a private residence. If we have a confirmation of 20 or more people coming by Friday 6/23, I will reserve a Port-a-potty. Plenty of room to set up hotwire corrals or highlines for horses.

There is usually a high fire danger so there will be no fires or briquettes allowed.

For more details contact Beth at 425-327-4881. **Please RSVP by Monday July 24th.**
